Miramar Christian School Student Enrolment Agreement

Dear Parents and Caregivers,

Welcome!

We are delighted that you have chosen to have your child(ren) enrol at Miramar Christian School. The school staff and community work hard to ensure all students have a high quality education, one which is founded on biblical principles.

This document serves as an agreement between you and the Peniel Charitable Trust, so please read it carefully and ask questions BEFORE your child's (or children's) first day. If they start school before we've received this agreement from you, then you are committing to the items marked [default] until such time as we receive this signed document.

Who is the Peniel Charitable Trust (the Trust)?

The Trust is the proprietor (owner) of Miramar Christian School. The Ministry of Education has contracted with us to ensure the school's Christian special character is maintained, and for us to supply and maintain the school land and buildings.

What are Attendance Dues?

Land and buildings are expensive, and these costs must be paid for by attendance dues which we charge for each student's time at the school. By choosing to enrol your child(ren) at the school, you are committing to pay these dues regularly, and on time.

Attendance dues help us fund painting, re-roofing, flowing, earthquake strengthening, heaters, asphalt and other building improvements that support the best possible education.

How much are the Attendance Dues?

This document is accompanied by a copy of the most recent '*Attendance Dues for Miramar Christian School*' letter to the school community. That letter sets out the current attendance dues amount, the payment options, and discounts for early payment in full.

Are Attendance Dues Compulsory?

Yes. It's important that these dues are paid on-time, and in full. We do recognise that sometimes special circumstances can make this challenging, and so we're always open to working with families to put in place a payment program that works.

The bottom line is that the dues are compulsory, and that without an arrangement with the Trust, unpaid dues (plus debt collection fees) can be referred to a debt collection agency and you may be required to move your child(ren) to another school.
