

Miramar Christian School Referral Program

We would like to give you \$100!!

MCS is launching a new referral program, and we would love your help!

How the program works:

1. Write your name *and phone number* on the "Referred by" line at the bottom half of the page
2. Think of people you know who would love our school
3. Give them the bottom half of this form, and instruct them to hand it in to the office when they visit
4. If they enrol, YOU will be gifted a \$100 voucher to either New World or Pak'n Save! How great is that?

Details: This is an ongoing program, so refer as many people as you'd like. You get a \$100 voucher *per student* that enrolls, so if you refer a family with 5 kids, you would get \$500 voucher! **Thank you for partnering with MCS!**
