FOREWARD

Dear Parents

Welcome to Miramar Christian School

At MCS we are incredibly proud of the academic, cultural, social and sporting accomplishments of all of our children. Our school caters for children from years 1 to 8 and we currently have three classrooms with composite classes in each. We desire to see children learn effectively, experience many different opportunities to develop expertise in learning areas and to thrive within the school's environment.

Our school delivers a rich, diverse and holistic curriculum that includes all the Ministry of Education essential learning areas, a range of extra-curricular opportunities, the mastery of 21st century key competencies and a strong emphasis on values education. All areas of school life are viewed and taught from a biblical worldview. Experienced and professional staff are committed to partnering with parents to assist our students to thrive as transformational Christian leaders in the 21st century.

Throughout their time at school, we desire and encourage students to build a meaningful relationship with God and a deep respect and understanding of His word, the Bible. Our goal is to build up the spiritual faith of every student and develop Kingdom culture through our values of: Character, Excellence and Community.

I am confident that your child can prosper in every way at MCS and trust you find this prospectus informative. If you have any questions, please feel welcome to contact me.

Kind regards

Kaye Gillies, Principal

SPECIAL CHARACTER

“For each learner, the school community will provide quality learning, opportunities that encourage Christian perspectives and affirm Biblical principles.”

Miramar Christian School has been providing a Christian education to the Eastern Suburbs and greater Wellington region since 1979. It was established by a group of parents at Gateway Baptist Church, Miramar, committed to the vision of Christian education that would equip young people for a life of service to God and the community.

The school is an inter-denominational Christian school. As an integrated school it receives government funding for staffing and operations. The land and buildings are owned by the Proprietors, Peniel Charitable Trust, who charge attendance dues to meet the cost of maintenance and building programmes.

We believe:

1. The Bible is the inspired Word of God and our only authority in all matters of faith and practice.
2. In One God, who is Father, Son and Holy Spirit:
 - a) God, the Father, is creator and sustainer of all things;
 - b) Jesus Christ, His Son, is both human and divine. He is the ultimate revelation of the Father and risen Lord and Saviour of the world. He will return to the earth at a future point in history;
 - c) The Holy Spirit is the person who brings God’s life into the lives of believers, working within them to transform them into the likeness of the Son and empowering them to serve God in real ways in this life.
3. In the sacrifice made by Jesus Christ on the cross for the sins of the world.
4. Eternal life and salvation are by faith in Jesus Christ alone.

VISION

To provide and promote a Christ centered environment where students experience God.

*To develop personal commitment that is expressed through their Godly **Character** which allows the student to excel (**Competence**) and is expressed through their involvement with the **Community**.*

VALUES

Values are deeply held beliefs about what is important or desirable. They are expressed through the ways in which people think and act.

The MCS community seek to 'live out' and practice these values:

- ✓ IN RELATIONSHIP WITH OTHERS. The love of Christ compels us to love God and people
- ✓ WITH CREATIVITY. Our values are expressed in the way we reflect God's creative nature
- ✓ THROUGH SERVICE. In putting the needs of others before our own

CHARACTER We honour God

We value developing Godly character and integrity in our lives.

We value Christ-like attitudes of honesty, respect, care and compassion for others.

EXCELLENCE We lead for God

We value the giving of our best and the development of excellence.

We value the talents, gifts and abilities that are unique to each learner.

We value learning; the application of knowledge, in the context of a Biblical world view.

COMMUNITY We serve God

We value cultural diversity and inclusiveness.

We value being good stewards of the resources in our community.

We value making a difference in our school, local and wider community.

CURRICULUM

The Miramar Christian School Curriculum is the New Zealand Curriculum taught in conjunction with the Interact Curriculum. This enables us to maintain the school's special character.

The Interact Curriculum has been written in a thematic style. The over-arching aims are to provide learning and teaching opportunities that develop in teachers and children a growing understanding of the nature and character of God, and a growth in personal faith and character.

The themes for 2020 are:

Term 1	God is at Work.
Term 2	God is the Owner of the Earth.
Term 3	God is Holy and Pure.
Term 4	God is One God.

Features of the Interact Curriculum

- Developing a knowledge of God: His nature and character.
- Developing a knowledge of humankind: Understanding our nature and character.
- Developing a knowledge of the world.
- Developing character that is conformed to God's image.
- Recognising the unity of knowledge and the inter-relationship of subjects.
- Working with a cycle of topics so that all age groups are studying the same basic topics at different levels.
- Catering for individual learning skills.
- Requiring a range of thinking skills.
- Relating to real life with practical application.
- Develop key competencies.

The Interact Curriculum is educationally sound

- ✓ It incorporates ideas from some of the recent educational research (enquiry model) as well as wisdom and knowledge from the Bible.
- ✓ Children learn more deeply about each topic as each subject interacts with others and cumulative effect reinforces previous understanding.
- ✓ It provides for opportunities for remediation and extension easily. A Year 8 child, who needs remedial work on Year 6 understanding, could have relevant material and/or lessons available, as could a younger child needing extension.
- ✓ It enables older children to teach younger children occasionally, thus reinforcing concepts for both age groups.
- ✓ A wider range of thinking skills and learning styles will be developed and practised.
- ✓ Teachers gain the experience and expertise of a wide range of educators and educational

advisors.

- ✓ Schools are able to network with other schools using the programme for advice, moderation, and combined activity.

School Houses

Each student is assigned as a member of one of our four School Houses. The Houses are: Bethlehem (green), Canaan (blue), Jericho (red) and Sinai (yellow).

Students will earn Merit Marks for their House and themselves.

20 Merit Marks = 1 Merit Card

10 Merit Cards = 1 Honours Card (Silver)

20 Merit Cards = 2 Honours Card (Gold)

THE BOARD OF TRUSTEES

The Board of Trustees extends a warm welcome to all new parents and children to the school family. The Board of Trustees, of which the Proprietor is an integral member, is the governing body of the school. As a Board, we consider ourselves to be Jesus' servants, working for you, our parent community, to support the staff to provide a truly Christian education for our children.

The Board of Trustees consists of the Principal, four members of the community elected by the parents of children at the school, a Staff Trustee elected by the staff and 2 Proprietor Representatives. The elected members serve for a period of three years. From time to time, further parents may also be co-opted as Trustees. Meetings are advertised in the School Newsletter. Meetings are usually held on the first Monday of each month.

COMMUNICATION

Regular communication between parents and teachers is the key to understanding and facilitating the development of your child's needs. Your participation in your child's education is invaluable. There are a number of strategies which we use to promote effective communication about school or events, parent meetings, class matters, individual performance or any other matters that may arise. These include:

Fortnightly Newsletter

A newsletter is distributed regularly, both in paper form and electronically to inform parents of matters and updates. The newsletter informs the school community about important matters and includes events of interest and also celebrate the successes and achievements of our students.

Skool Loop

In between newsletters, reminders and notices are sent out via Skool Loop. This is an app we ask you to download to your mobile phone to ensure you are always kept up to date.

Facebook

We have a Facebook page which highlights and reports on school events and celebrations.

Class Term Newsletter

At the beginning of each term teachers email the parents of the students in their class informing them of the key themes for learning, events occurring during the term, upcoming trips, home learning expectations.

Miramar Christian School Website

A wide range of whole school information, including, can be found on our school website.

Letters and Telephone Calls

Urgent or private matters will be addressed by a staff member via telephone or email. Please ensure that parent contact details are kept updated.

Parents are required to email the teacher or school office:

- If your student has an appointment during school time or needs to be withdrawn from school early
- Concerning any temporary incorrect uniform related issues.

Students are not permitted to make phone calls home. Administration staff will handle urgent matters.

Sign In and Out Book

Parents arriving late with their students are required to register the student's late arrival at the school office. The sign in/sign out book is an important register, particularly should there be an emergency event occur during the school day.

Similarly, parents withdrawing students during the day for any reason are required to sign the students out at the school office and then sign them back in if they are returning to school on the same day.

Parents helping in classrooms should also sign in at the office as the school has a responsibility to account for every person on site for student safety and in the case of an emergency.

Parent/Teacher Interviews

Parent/Teacher interviews may be requested at any point during the year. These can be arranged directly with the teacher. Meet the teacher evenings are held in Term 1, and Formal Parent/Teacher Conferences are held at the end of Term 2. Written reports are provided at the end of Term 2 and Term 4.

COMMUNICATING WITH TEACHING STAFF

Visiting Classrooms

Parents are asked not to visit classrooms unannounced during the school day. If a parent needs to deliver a message to their child, please go through the office. If a parent is assisting in a classroom, they are asked to sign in at the office.

Contacting Teachers

We believe that it is really important for us to maintain communication. However, it is also important to remember that the time between 8.55am and 3.00pm is class time when the teachers' responsibility is to the children. We ask that parents do not engage with the teachers between these times.

Concerns Procedure

If you have a concern about your child/children at Miramar Christian School, please approach the class teacher first. Most concerns are able to be sorted out at an informal level.

The first point of contact should always be the class teacher on matters of curriculum, behaviour and pastoral care. Please avoid surprising teachers with unscheduled meetings in the morning. An appointment which enables a teacher to be prepared will contribute to a favourable outcome for all. Appointments can be made via email to the teacher concerned.

If further discussion is required, parents are to make an appointment to speak with the Principal. A follow-up meeting may be arranged with the class teacher.

If you feel that your concern is still unresolved after meeting with the Principal, please put your concern in writing to the Board of Trustees.

EXTRA CURRICULAR ACTIVITIES

We take appropriate opportunities to enhance the curriculum by offering performances of quality entertainers and equipping children with learning experiences outside the classroom. Our classes also conduct trips in the local community and in the senior years our Kauri class participates in a camp.

Learning Languages

The school is learning Taha Te Reo Maori.

School Trips

Learning is enhanced by class and school trips.

Physical Education

P.E. is an important part of our curriculum and is scheduled to take place regularly each week. The school participates in the major Eastern Zone sports' tournaments and on occasion, Christian school sports. Class trips, site experiences and external school programmes (e.g. KiwiSport Soccer Programme) ensure there is an abundance of opportunities for students to participate in education outside the classroom.

Swimming

Qualified swimming instructors provide swimming lessons (indoor) for approximately 8 sessions. The sessions are: Learn to Swim and Water Safety – depending on the ability of the child/ren. Your class teacher will advise you of your child's swimming sessions times.

Music

We offer music lessons for the following instruments: piano. Fees are based on 30 minutes lessons, either one-to-one at \$25 (\$250 per term) or two-to-one at \$12.50 (\$12.50 per term) shared cost. This is an optional activity.

Digital Technology (ICT)

The ICT programme is designed to equip students with the skills they need to become competent users of ICT. At each year level, the ICT skills will be tailored to complement and support the curriculum being delivered by the classroom teacher. Experiences include using coding and Robotics.

STUDENT SUPPORT

Positive Behaviour for Learning (PB4L)

The school runs the PB4L programme to encourage and promote positive behaviour. We explicitly teach students about the behaviours we wish to see and reward these. Should children exhibit inappropriate behaviour, there are set procedures and consequences which are followed. These are set out on a behaviour chart written in collaboration with staff and parents.

Peer Mediation

Peer Mediation is a system in which the children are encouraged to help each other talk together and work through difficulties in a positive manner. Trained children can be called on to help others in the playground.

Peer Support for New Children

Special attention is given to new entrants and other children who have joined the school to ensure their wellbeing is taken care of and they are able to participate fully in school activities.

Resource Teacher of Learning and Behaviour (RTLB) & Resource Teacher of Literacy (RTLit)

Children needing extra help with learning and behaviour may be referred to an RTLB teacher. Parents permission will be sought before a referral is made.

School Library

Children are able to borrow books during class allocated library time or at lunchtime with the help of trained library monitors. Intermediate children have the opportunity to train and work in the library as monitors. The issue and return system is fully computerised and books are issued for 3 weeks.

Reports to Parents/Caregivers

Teachers report to parents regularly throughout the year. There are at least two formal meetings with parents during the year. A written report is sent home at the end of Term 2 and Term 4.

If there is any matter regarding your child's progress you wish to discuss please arrange a time with the teacher concerned.

After School Care

Although the school does not run an after-school care programme, some of our students attend ECAT (East Care After Three). Each day at 3pm, a representative from the ECAT is on hand to pick up and drive students to the ECAT headquarters, where parents can pick up their son/daughter at their address: Miramar Community Centre, 27 Chelsea Street, Miramar. Call 380 7101.

Dental Care

Children will attend the new 'Bee Healthy Regional Dental Service Hub at Miramar Central School at no charge, once a year. If parents/caregiver have concerns about their child's teeth or a child has dental pain, an appointment can be arranged by calling 0800 825 583

Parents are welcome to contact the Dental Nurse regarding dental care and treatment. Call 388 8767.

ATTENDANCE DUES & FEES

Attendance Dues:

As an Integrated School, the School Proprietors (Peniel Charitable Trust Inc) can request Attendance Dues to be paid to go towards maintaining school property. The Trust is the proprietor (owner) of Miramar Christian School and is connected with Gateway Baptist Church. The Ministry of Education has contracted with us to ensure the school's Christian special character is maintained, and for us to supply and maintain the school land and buildings.

What are Attendance Dues?

Land and buildings are expensive, and these costs must be paid for by attendance dues which we charge for each student's time at the school. By choosing to enrol your child at the school, you are committing to pay these dues regularly, and on time. There is a form in the appendix to be completed by parents who enrol their children. This formalises the agreement with the Proprietors.

Attendance dues help us fund painting, re-roofing, flooring, earthquake strengthening, heaters, asphalt and other building improvements that support the best possible education.

Are Attendance Dues Compulsory?

Yes. It's important that these dues are paid on-time, and in full. We do recognise that sometimes special circumstances can make this challenging, and so we're always open to working with families to put in place a payment program that works.

The bottom line is that the dues are compulsory, and that without an arrangement with the Trust, unpaid dues (plus debt collection fees) can be referred to a debt collection agency and you may be required to move your child to another school.

How much are the Attendance Dues?

Below is the schedule of Attendance Dues for Miramar Christian School and notes regarding payment options and discounts for early payment in full.

There are different payment options available to suit each family's needs.

No. of Students	Annual Dues	Payment in full by 28 February (10% discount)	1 payment at the start of each term
1 Student	\$680.00	\$612.00	\$170.00
2 Students	\$1224.00	\$1101.00	\$306.00
3 Students	\$1836.00	\$1652.00	\$459.00
4 Students	\$2448.00	\$2203.00	\$612.00

When you sign up to this school you will be required to complete a proprietor's agreement which indicates your commitment to paying and preferred method.

If you would like to discuss payment options, or you need assistance setting up your payments then please contact the proprietors representative (penieltrustwn@gmail.com).

Additional Fees:

Activity Fee and Voluntary Donations

Miramar Christian School has opted into the Government Donations Scheme. From 2020 we will not be charging a school donation or requesting money for activities that are part of the class curriculum (e.g. trips and sporting activities).

Please note School donations are different from the School Proprietor Attendance Dues which will continue to be charged.

Other Costs

Parents pay for their child's school uniform and class stationery. Charges for optional activities (e.g. piano lessons) are also paid for by parents.

UNIFORMS

As the wearing of school uniform is a pledge of loyalty to the school, and an important contribution to school tone, the correct wearing of uniform is compulsory.

Formal uniform must be worn during school hours, both to and from school. Summer Uniform is worn during Terms 1 and 4, while Winter Uniform is worn in Terms 2 and 3. Please note that the polar fleece is part of the PE uniform and is NOT to be worn with the formal uniform. A jersey is provided with the formal uniform. All formal uniform for boys (to Year 8) and girls (up to Year 8), both winter and summer, including hats, can be purchased at The Warehouse, Lyall Bay. Some senior girls' skirts are available from the school. The PE uniform (which includes trackpants and polar fleeces) can ONLY be purchased at school.

PE uniform is worn on the days as specified by your child's teacher and the school.

Adornments:

Make up, nail polish, tattoos and jewellery are not permitted. If your child has pierced ears, 1 stud per ear may be worn. A watch and/or a religious icon on a chain, e.g. a cross, may be worn under the shirt.

Hair Styles:

Hair must be kept neat and tidy. Long hair must be tied back off the face, using blue, black or brown hair ties.

Where to purchase school uniform

New formal school uniform can ONLY be purchased from The Warehouse in Lyall Bay.

PE Uniform can ONLY be purchased from the school between the hours of 9am to 1pm.

Second hand formal and PE uniform is available from the School Office between the hours of 9am to 1pm.

GENERAL INFORMATION

Absences

Please notify the school by 9.15am, if your child is going to be absent. The expectation is that the children are at school by 8.45am. (A member of staff is on grounds duty from 8.30 until 8.55am).

Assembly

Assembly is held on a regular basis for the whole school. See the school newsletters for times and day. We would welcome your presence at these.

Discipline

We use PB4L (Positive Behaviour for Learning) to set expectations.

We believe that children should learn to respect authority. This involves respect and obedience to:

- the authority of God as revealed in His Word;
- the authority of parents;
- the authority of teachers;
- others in whom authority has been vested;
- each other.

Discipline is firm but fair and if conflict arises, each point of view is listened to before action is taken. We encourage children to suggest their own resolutions through peer mediation.

Emergency Procedure

Earthquake, fire drill, tsunami and lockdown procedures are practised regularly. In the event of civil emergency, children are kept at school under supervision until they are collected by parents or an authorised adult.

In case of an emergency evacuation of the school, the school will assemble in front of the Adventure Playground or on the Netball courts. In the event of a tsunami, we walk up Weka Street and gather at Miramar North School.

In the event of a lock down, please wait to be advised the police have given the “all clear” before coming to collect your child from school.

Homework

Homework is set regularly at all levels. Parents are asked to encourage and supervise this work which is vital to the child's success in learning. Details and expectations will be sent out each year. Please contact the class teacher if you have any queries in this area.

Illness

If a child falls ill or is injured during the day he/she should report to the teacher or to the school office where staff will take care of the child and notify a parent if required. If a child is not well enough to remain at school, parents must make provision for their child to be collected as soon as possible.

Lateness

It is important that your child is at school on time but if they arrive late, you, as the parent or caregiver, are required to escort your child to the school office and notify us of your child's arrival at school. We deem lateness to be arriving after 8.55am

Lost Property

All clothing and footwear should be clearly marked. The Lost Property Box is situated in the office.

Lunch

Children should bring a nutritious lunch to school. Children may not leave the school grounds to buy lunch from a shop. We promote healthy lunches. On Wednesdays there is a 'Subway' option.

Office Hours

Monday to Friday 9am – 1pm Messages may be left on the answer phone.

Parent/Caregiver Support and Involvement

Miramar Christian School is a small community and dependent on the voluntary support and involvement of parents. We have an active parent school group that we invite all parents to be involved in. There are always opportunities for parents to be involved on a day-to-day basis, by helping in the classroom, assisting with transport and working with small groups.

Personal Property

Staff prefer that the children do not bring money, valuables or toys to school. In cases where a child has a particular reason for wishing to bring a valued item to school, parents are asked to contact the teacher in advance. The school does not accept responsibility for loss of, or damage to, things brought to school by children. Inappropriate items will be confiscated from the student concerned and handed to parents as soon as is practical.

Policy Statements

A copy of the school's policy statements is held at the office. As existing policies and procedures are reviewed, and new ones created, you will be invited to comment on the drafts.

Staff Meeting

Staff meetings are usually held each Tuesday from 3.15 pm. It would be appreciated if parents could avoid asking for appointments with the teachers on those days.

Sun Protection

In Term 1 and Term 4 we ensure children wear hats outside in the playground and to sit in the shade to eat lunch. School regulation hats are sold at The Warehouse Lyall Bay. If children do not have school hats they are required to stay in 'shaded' areas during break times. We also encourage families to ensure that sunscreen is applied before the start of the school day and to pack sunscreen for further application throughout the day if necessary.

World Vision

We sponsor Kaknika Yann, a World Vision child. She lives in Cambodia, is 11 years old and is very much part of our school. Eight or nine times a year, the children have a mufti day to raise money for Kaknika. We are always looking for opportunities to serve others.

CLASSROOMS & SCHOOL DAY

Each classroom is named after a tree and has a theme.

Kowhai – Room 1	Theme: Manakitanga (sharing)
Kauri – Room 2	Theme: Te Whare O Te Whanau (the house of the family)
